2009 RENTAL CATALOG

WELCOME !

I've been doing theater lighting for over 20 years and know the importance of working with people and equipment that you trust. IPG is here to raise the bar on what you can and should expect. In essence, we're setting the new standard for event lighting.

The combination of customer service, quality of gear and overall ease in how we operate are second to none in the Rocky Mountain Region. We'll take the time to talk with you, find out what your event needs are and put to work our combined years of electrical and lighting experience to your advantage.

No rental is too small, or too large, and **every client** is equally important! Whether you rent a single item or you hire us to partner on a production, we will give you professionalism and a reason to use **IPG** over and over again.

Maintenance is regularly performed and we take pride in making sure that you don't have surprises at Showtime and that you have everything you need. Our gear is checked before it goes out and again when it comes back.

We are open six days a week, offer pick-up & delivery service, no-charge consultation and for current rentals, have an emergency phone number for after hours service.

Our shop carries a full line of consumables including gel, gobos, tie line, gaff, paint, parts and lamps that you can pick up when you are here. Or, if we need to order a custom gobo or piece of gear, I'll get it for you quickly and at a competitive price. We have great relationships with the best suppliers in the business!

Give me a call or shoot one of us an email. We're excited to chat with old friends and look forward to making new ones.

IPG RENTAL CONTRACT - TERMS AND CONDITIONS

IPG Rentals & Sales (IPG) agrees to lease equipment and related accessories (herein collectively referred to as Equipment) as listed on the reverse side of this document to Customer subject to the following terms and conditions. By signing this agreement, Customer agrees to the terms and conditions stated herein.

Rental Period

The minimum rate for any rental is 1 full day. There are no half days. The week rate is for up to seven days of use. All Equipment is due back by 12:00 P.M. on the specified return date or an additional day rate may be charged. Extensions will be considered a separate transaction and must be approved prior to the originally scheduled return date, subject to availability. Customer will be liable for all damage or loss of Equipment regardless of who is in possession or operation of the Equipment from the moment the Equipment leaves IPG until the moment it is returned to IPG. Customer acknowledges that he has fully inspected and accepted said Equipment in good condition and repair.

Terms

All rentals must be paid at time of pickup unless credit arrangements have been made. A refundable rental deposit may be required for Customers without billable accounts. Deposits may be paid by cash or credit card. Credit applications must be completed prior to any billable service. Upon approval, standard terms are net 30 days unless otherwise noted. Valid identification may be required at the time Equipment is picked up. All rentals are subject to sales tax. Colorado Resale, city exemptions and Non-Profit Tax Exempt Certificates are required in advance of rentals in order to be tax exempt. Federal tax exempt documents cannot be accepted for exemption from state sales tax. Failure of Equipment to perform due to adverse conditions, improper set-up or improper usage does not release the Customer from rental charges. Past due accounts will forfeit any discounts and new transactions will be required to pay in full prior to picking up of any Equipment. A monthly late charge of 1.75% of the total rental charge or any balance due on account, including previous late charges, will be assessed on all amounts due to IPG. Customer will pay IPG the daily rental fee and other daily charges for each day IPG is deprived of its ability to use its Equipment due to loss or damage or delay occurring while Equipment is rented to Customer. Customer will reimburse IPG for all costs and expenses of collection of any amounts owed to IPG under this or any other agreement including but not limited to, reasonable attorneys fees.

Delivery/ Pickup & Shipping

All transportation costs are paid by Customer. Return shipments to IPG must be prepaid. Delivery charges will apply for deliveries to airports, bus stations or other common carriers. Customer assumes all risk of transportation and shipping of Equipment, including but not limited to loss, damage or delays. Delivery & Pickup is defined as door to door service. This does not include load-in, set-up, strike or load-out of equipment. Customer is responsible for a crew to load/unload equipment from the vehicle and drayage between the dock area and venue.

Missing or Damaged Equipment

Equipment shall be returned in the same condition as when released from IPG. Customer will be liable for all damage or loss of Equipment the moment it is released from IPG until the moment it returns. Missing Equipment will continue to be charged at per day rate until the Equipment is returned or a replacement invoice is issued. Rental charges will not be deducted from the replacement costs. Damaged Equipment includes anything determined by IPG to be above and beyond normal wear and tear. Items returned scratched, dented, or dirty are subject to a cleaning and/or repair bill, regardless of working condition. Customer will be responsible for the cost of repairs or replacement. Current shop rate is \$75/hour. Cleaning & repair costs will be billed separately or may be deducted from any applicable deposits. Shop rates will apply for any cable not returned properly coiled / tied or motors that have not been run out, prior to returning. Customer shall not make any alterations, additions or improvements to the Equipment without the prior written consent of IPG. IPG property labels and/or bar codes shall not be removed or altered from any piece of Equipment. Customer agrees to carry insurance covering the full replacement value of the Equipment being rented. Upon request by IPG, Customer agrees to provide a certificate of insurance naming IPG as an additional named Loss Payee.

Lamp & Manual Policy

When spare lamps are provided with a rental, the Customer is responsible for the return of the lamp. If the spare lamp must be used, the lamp it replaced must be returned to IPG. Failure to return spare lamps, used or un-used, will result in an invoice for the retail price of the lamp. Manuals are available upon request and must be returned with the rental item. A service charge of \$50.00 will be invoiced for any missing manuals.

Warranties

IPG makes no warranty, express or implied, regarding Equipment, including without limitation any warranty of merchantability or fitness for any purpose. IPG's obligation to Customer shall be limited to the repair or replacement of Equipment which is defective when delivered to Customer and Customer agrees that this shall be its sole and exclusive remedy. All Equipment is available for inspection and testing at our location.

This agreement shall be governed by the internal laws of the State of Colorado, and the rights and obligations of the parties hereunder shall be determined according to such laws. Customer submits to venue and jurisdiction over any dispute related to this agreement in the Superior Court of Jefferson County, Colorado. This agreement shall constitute the entire agreement between IPG and the Customer with respect to the rental of Equipment and may not be modified without an authorized representative of IPG. The person signing this agreement warrants that such individual has been duly authorized to execute this agreement and to bind the Customer to IPG's terms and conditions for this and all future transactions.
